

## Services

### We Offer

-

We are experienced in establishing INFORMAL ARRANGEMENTS with creditors to relieve pressure during a reorganization or revival of your business.

-

VOLUNTARY ARRANGEMENTS , both INDIVIDUAL and CORPORATE, allow a formalized moratorium incorporating an instalment repayment plan with your creditors.

-

Rescue procedures of ADMINISTRATION and RECEIVERSHIPS provide an opportunity of a refinancing arrangement, management buyout or a sale as a going concern.

- If all else fails LIQUIDATIONS are handled by us with efficiency and speed.

- We act in SOLVENT MEMBERS VOLUNTARY LIQUIDATIONS with considerable experience in tax reconstruction schemes, shareholder deals, etc.

-

We fulfill an important CREDIT MANAGEMENT ROLL for small to medium businesses who do not have the luxury of finance directors or credit controllers.

-

We give priority in our advice to TURNAROUND AND RESCUE PACKAGES which we can support with SPECIALIST FINANCE SCHEMES where appropriate.

-

We can provide influential VIABILITY REPORTS for your presentation to bank when under facility renewal pressure.

-

We can undertake research into BAD DEBTS, FRAUD, etc, ATTENDING AND REPORTING on creditors meetings for you and MONITORING AND PROTECTING your interests where you have claims (including RESERVATION OF TITLE CLAIMS) against failed businesses. Debt enforcement
